

IJECES Copyright Transfer Form

(Please, read this carefully)

This form is intended for all accepted material submitted to the IJECES journal and must accompany any such material before publication.

TITLE OF ARTICLE (hereinafter referred to as “the Work”):

COMPLETE LIST OF AUTHORS:

The undersigned hereby assigns to the IJECES all rights under copyright that may exist in and to the above Work, and any revised or expanded works submitted to the IJECES by the undersigned based on the Work. The undersigned hereby warrants that the Work is original and that he/she is the author of the complete Work and all incorporated parts of the Work. Otherwise he/she warrants that necessary permissions have been obtained for those parts of works originating from other authors or publishers.

Authors retain all proprietary rights in any process or procedure described in the Work. Authors may reproduce or authorize others to reproduce the Work or derivative works for the author's personal use or for company use, provided that the source and the IJECES copyright notice are indicated, the copies are not used in any way that implies IJECES endorsement of a product or service of any author, and the copies themselves are not offered for sale. In the case of a Work performed under a special government contract or grant, the IJECES recognizes that the government has royalty-free permission to reproduce all or portions of the Work, and to authorize others to do so, for official government purposes only, if the contract/grant so requires. For all uses not covered previously, authors must ask for permission from the IJECES to reproduce or authorize the reproduction of the Work or material extracted from the Work. Although authors are permitted to re-use all or portions of the Work in other works, this excludes granting third-party requests for reprinting, republishing, or other types of re-use. The IJECES must handle all such third-party requests. The IJECES distributes its publication by various means and media. It also abstracts and may translate its publications, and articles contained therein, for inclusion in various collections, databases and other publications. The IJECES publisher requires that the consent of the first-named author be sought as a condition to granting reprint or republication rights to others or for permitting use of a Work for promotion or marketing purposes. If you are employed and prepared the Work on a subject within the scope of your employment, the copyright in the Work belongs to your employer as a work-for-hire. In that case, the IJECES publisher assumes that when you sign this Form, you are authorized to do so by your employer and that your employer has consented to the transfer of copyright, to the representation and warranty of publication rights, and to all other terms and conditions of this Form. If such authorization and consent has not been given to you, an authorized representative of your employer should sign this Form as the Author.

Authors of IJECES journal articles and other material must ensure that their Work meets originality, authorship, author responsibilities and author misconduct requirements. It is the responsibility of the authors, not the IJECES publisher, to determine whether disclosure of their material requires the prior consent of other parties and, if so, to obtain it.

- The undersigned represents that he/she has the authority to make and execute this assignment.
- For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.
- The undersigned agrees to indemnify and hold harmless the IJECES publisher from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.
